**Gateway Guides**

Gateway Guides has printed comprehensive historical and cultural guides for Cape Town and the Western Cape tourism market for over 10 years. With excellent design layout, illustrations and in-depth research, this has made these guides the leading tourism guide in the Western Cape, with 1.5 million printed guides distributed so far.

**Value**

- 10 000 free printed guides are distributed through our partner, GoSeeDo (the biggest and most effective brochure management company in South Africa)
- All our stands are positioned to reach the maximum number of tourists who visit Cape Town and the Western Cape. Guest houses, B&B, hotels, organisations, clients and conferences are supplied with our guides upon request.
- Target market of over a 1.5 million visitors to Cape Town annually
- Limited advertising clutter per guide which reduces advertising competition (Fewer than 8 adverts per side)
- Strong online presence with all the guides free to view or download from [www.gatewayguides.co.za](http://www.gatewayguides.co.za). All adverts are linked to clients websites.
- Facebook and Twitter posts of clients products will be shared online as part of the marketing campaign
- Less than half the price of social media spend per click

**Frequency**

- Once a year with a 10 000 print run and digital viewing and download
- Shelf life of each guide is ±4 months with the online version at ±10 months
